*Dear Rock Star,*

*Congratulations on being selected as a successful candidate to be signed on by our music label. Your talent has come to our attention and we would love for you to begin your future musical career with ourselves.*

*To do so, we are in need of your help to sound proof your own music studio so that you can practise and record songs. We need you to investigate which material would be the most suitable to sound proof your studio, by evaluating the most sound absorbing material.*

*Following your investigation, we would appreciate a response back to explain what material you plan to use to sound proof your studio, as well as details about what type of music you hope to create to reach the UK Number 1.*

*Yours Faithfully,*

*Virgin Record Label Ltd.*
