

Home Learning Class work

You will find work for Maths, English and Theme in your class file.

You should aim to complete an hour of Maths and an hour of English each day. Theme work may take longer, but please remember to do some exercise for PE.

If you are finding the work difficult, you should message your teacher on VLE to ask them for help. They may be able to provide you with advice or links to videos to help you or they may be able to provide you with different work.

Just like when you are at school, remember to complete your school reading at least 3 times per week.
