Well Done to Year 6!

A huge well done to all the Year 6 pupils, that have worked tirelessly to “show off” in their work and their SATs results this year. The children have achieved over 70% in reading, writing, mathematics and grammar and punctuation spelling tests. We are extremely proud of all the Year 6 pupils!

ParentPay Accounts—School Dinners

With the end of term fast approaching, please could all ParentPay accounts for school lunches be paid up to date. In particular, we would ask parents of Year 6 children to settle their accounts as we are unable to transfer balances to their new school, and any credits will be refunded via the payment method. From September, the school will be using ESchools for communications, dinner and trip payments instead of ParentPay and ParentMail. Credits on the ParentPay accounts for those children remaining at the school will be refunded in September. Further information can be found on the weblink <https://www.eschools.co.uk/support>. New pupils will receive activation letters during the first week back in September
