FURTHER DATES TO  
FOLLOW!

#### Staff News

We are so pleased to inform you that both Mrs Milton and Mrs Elliott have had baby boys. We are happy to say that both babies and mothers are well and healthy, and we all wish both families our congratulations on this wonderful news.

#### Special Thanks

A huge thank you to Mrs Lancaster for donating the handmade masks, plastic shields and knitted ear protectors for staff to use during school sessions. Beautifully made and very much appreciated by all.

Similarly, a big thank you to Rachel Austin's husband in supplying the school with 3 plastic shields.

#### Information on New Class Structures for September 2020

Letters have been circulated to all parents regarding next year's class and teacher allocations. If you have not received your letter then please contact the school office.

#### Wider Opening of School Provision

It's been lovely to welcome back our Y6 pupils, although it's been very different for them, they have demonstrated an amazing attitude and patience, taking it all in their stride—well done!

The same message can be said for our Keyworker pupils too—Well done!

#### More Year Groups Attending Before the Summer Holidays ...?

We are not sure what the Government will announce in regards to more year groups returning to school, but if the social distancing measures are still in place, then the school will not have the capacity to run safely; there will not be enough rooms or staff members to teach in 'bubbles'. Therefore, it will be impossible for us to have everyone back, everyday and on a weekly basis. We will of course keep you updated on any changes that the government announces and how that impacts on the running of CWJS. Please note: CWJS, like all schools across the country, do not get prior knowledge of the government's plans—we hear about it in the daily broadcasts, making it very difficult for us to give parents the 'heads up' on our future provision— please bear with us and thank you.

#### Government Information for Parents
