

Newsletter Date: 20th March 2020

Coronavirus—SCHOOL CLOSED FROM TODAY

To ensure children receive some form of education whilst away from school, the teachers have been uploading resources for children to access at home. There will be new resources for the children to access every week, if not daily, and children are encouraged to message their teacher through the VLE as a checkpoint, or if they need help.

The School will only be open to those children—reference letter sent by Woodfield site. The school will not be operating normal lessons and those pupils that attend the sessions will not be in their classes or with their usual teachers. We will be operating a skeleton staff during this emergency provision. This can only be maintained if staffing levels are safe to do so. Further updates and any other information received from the Government will be circulated.

Communication of Important Information and Updates

All information which needs to be sent out to parents giving updates will be emailed as current practise, and a copy will be posted on the Home Page of the school website for ease of access.

VLE

A new page has been added to the school website to support children working at home. On this page you will find resources that will help you and your child to complete the work that they have been set. Resources will include maths and English teaching ideas and guidance on how best to support your child. Other activities have also been uploaded such as daily physical activities with Joe Wicks. Please check this page regularly.

Incident on VLE

There was an incident on VLE about a month ago regarding a child's log-in details which was used inappropriately by another person. We do not currently know who that person is but we are investigating. As you can appreciate, with the current climate we are using and communicating all our information to children on the VLE. It is important that it is used with care and used appropriately.

Year 6

We are not sure when we will return back to a normal school. Some schools across the Country, are already saying goodbye to their Year 6 leavers. Therefore, we felt it is important to recognise our amazing Year 6 pupils and acknowledge how proud we are of all their achievements! We would love to have the opportunity to say this in person, and who knows, maybe we will, but if we are not able to do so, we wish them all the very best for the future.

Staff Changes

There will be changes in Elm class in the Summer Term. Miss Parsons has decided to take a professional break. Therefore, we would like to thank her and send her best wishes for a successful future. Mrs Mann will be taking over as Elm class teacher.

Weekly Newsletters

We will be sending weekly newsletters every Friday as normal.

From all the staff at Cam Woodfield Junior School, we hope you all keep safe and healthy!

Important Dates to Remember this Spring Term 4:

Friday 3rd April—School breaks up for Easter.

Monday 20th April - INSET Day

Tuesday 21st April – children return to school

FURTHER DATES TO FOLLOW!
