- Set the overall strategy of the Trust including overseeing the growth strategy
- Monitor the performance of all academies in the Trust ensuring that school improvement plans are enhancing the quality of education for all students
- Ensure that public funds are used effectively and appropriately.

CBAT is seeking talented individuals who have the ability to work strategically. Applications will be welcomed from individuals with education, public sector, charitable sector or business backgrounds, including from parents of children at any of the Trust's schools. Further information about CBAT can be found on our website at <http://www.cbatacademy/>.

What are the benefits of becoming a Trustee? CBAT Trustees find the role challenging, interesting and deeply rewarding because they can see how their work contributes to the well-being and prospects of pupils, academies and communities. It gives them a real opportunity to make a difference.

If you might be interested in applying to become Trustee, please contact David Dale, Clerk to the Trustees, email [david.dale@cbatacademy](mailto:david.dale@cbatacademy), for further information. The closing date for applications is 31st January 2020.
