

To ensure high quality pastoral intervention is in place in school, to address the needs of its pupils and families, in order to remove further barriers to learning.

Improve the school's curriculum to ensure subject coverage, the mapping of skills progression and learning that enables pupils to retain and build on prior knowledge.

Newly appointed and existing Governors support and challenge the school as SDPs (School Development Partners) using a well-structured monitoring cycle.

School Improvement Plan 2019-2021

To develop and embed a robust and consistent approach to subject leadership, in order to impact positively on standards across the curriculum.

To improve SEND pupils' progress and attainment in Writing.

Middle Achievers
Reading, Writng & MathsTarget the following
groups of learners: Boys
who are middle / low
achievers in Writing, Girls
middle / low achievers in
Maths.

Improve standards in maths by developing pupils' reasoning skills in mathematics. Raise the profile of
Reading – looking at ways
to make sure that pupils
are confident in
understanding what they
read, able to select and
infer information and
understand or decode
unfamiliar meanings of
words.

Together we learn, laugh and grow to be the best we
