Parents Driving into School

We have noticed that some parents are tailgating staff members driving into school during the morning to drop their children into school. Please can we remind you that only members of staff should be driving onto the school premises.

Social Media Sites

This day and age we know that parents setup or use Facebook, Whatsapp and many more social media sites to keep in touch about day to day or weekly updates regarding school events / reminders. This is something the school totally supports and thank you to the parents that help us in making sure that everyone is getting the right messages and news - it's very much appreciated.

When using these sites, can we please remind parents that the school will not tolerate comments that may be viewed as derogatory, offensive, slighting or threatening against the school, staff member, pupils or our families and if doing so we will pursue our Parental Code of Conduct Policy.

Thank you in advance for your support with this matter.

Preparing pupils for the future!

We would like to hold a Careers Fair, where visitors come into school to talk to the children about their jobs. The purpose of our careers fair will be to encourage children to aspire and motivate them to understand why it is important to work hard in school. The children will be able to ask the visitors questions to find out about their jobs and why they enjoy them. If you have a job that you would be willing to talk to children about, we would love to hear from you, whether you are a nurse, a hairdresser, a fire fighter, or a vet. Please speak to either Mrs Carrick or Mrs Wainwright, or contact Mrs Carrick at rcarrick@camwoodfield-jun.gloucs.sch.uk if you would be willing to take part.

British Heart Foundation

The school has received a letter of thanks from the British Heart Foundation for a recent donation of £39.51 which was raised by a former and a current pupil at the school. They made and sold bracelets to raise money for this worthy cause.

Willow Class Visit

Willow Class had a very successful day on Tuesday with their special visitor from the Bath American Museum. They learnt lots of new facts about the Native Americans and had an exciting lesson to handle real-life artefacts. The children had a lot of fun!

Juniper Class Assembly—Friday 7th February
