Elm Class Assembly— A great assembly about Roald Dahl's famous story of Willy Wonka and the Chocolate Factory. There was also some very interesting facts that the children have learnt about regarding chocolate and how it is made. Well done Elm Class!

Science Week—Thursday 14th March

WOW! The Science homework that was generated by the children in such a short space of time was AMAZING! From all classes there was something to see regarding all aspects of the Junior science curriculum. What was really impressive was the quality and ingenuity of the science work, from factual posters, experiments and working models. Thank you children for your hard work and for parents in supporting this event. Photographs of the science homework can be found on the school's website in the 'Gallery' section.

CWJS (Cam Woodfield Junior School's) 'Got Talent' Show!

This will be taking place on the last day of term: Friday 5th April in front of the whole school. Children will have the opportunity to perform as individuals, in pairs or in a group of no more than 6. They will have 1 ½ minutes to perform their act and there will be one winner from each class, plus runner up prizes.

Over the course of the weeks running up to the event, children will be able to rehearse and also perform in front of their class. If they are selected by their class, they will automatically go through to the final show. There will be five acts selected from each class to perform in the event.

We want to see a wide range of talents in the final show: musicians, dancers, comedians, magicians, to name but a few— the list is endless! A letter is attached to this newsletter for children to record and register their act. **Please note: revised date for handing back slips is by Friday 22nd March.**

St Peter's High School have posted their Admission Policy on their school website: <http://www.stpetershighschool.org.uk/Admissions>, if anyone is considering this school.
